## TELEPHONE-REQUIREMENT-FORM

Dear Patient!

During your stay in the WIENER PRIVATKLINIK you are welcome to use our telephone system. Telephone calls within the house basically are free of charge, external telephone calls outside will be charged with € 0,24 per unit.

In this case you will receive a chip-card at the time of admission; this enables you to deal with external calls via our telephone system. With this chip-card you are able to phone from every suitable telephone set, fees will be credited on your personal account. Please slip the chip-card into the telephone set lateral. Should any difficulties arise while using your telephone, please pay attention to the operating instructions which you will find in your room. Our ward team as well as our porters (extension: 9) are gladly available for information and explanations.

A deposit of € 15,-- for the chip-card will be retained. At the time of discharge this amount will be returned by giving back the chip-card in the admission office (open Monday to Friday, 8 a.m. - 4 p.m.) or in the porters-lodge (open 24 hours a day).

With our best wishes for a soon recovery  
Your WIENER PRIVATKLINIK
